THE "BELLE OF THE BALL."

Would not have been half so charming if she had not been wise as well as "pretty."
The reason is easy to find: Rare Perfumes lend added charm to beauty and the above young lady was posted. Backed up her judgment, too, by supplying her "perfume wants" at the right place;

PUTNAM STREET DRUG STORE.

The "Belles" all know our stock of "society odors" is most complete. One thing is certain—you may forget us, but the remembrance of our DELICATE, RARE and LASTING perfumes will linger longer with you than the memory of the "last rose of summer."

MARIETTA DAILY LEADER

TUESDAY, NOV. 10, 1896

PERSONAL AND LOCAL.

—The College football team returned from Cattedsburg, Ky., Monday.

—The crowd which went from this city to Parkersburg last night was one of the most orderly for its size that ever participated in a political jollification. The absence of intoxication was particularly noticeable.

—Work on the electric street railway is progressing steadily and the line will be completed to Montgomery street in a few days. The power house on Second street is also nearing completion and Superintendent Danley informs us that he expects to have everything in working order the first of December. It is possible that the second division of the electric road will not be finished before spring.

—Mrs. Clara Putnam entertained the Junior Club very delightfully last evening.

—Hon. J. Russell Trotter, State Superintendent of Free Schools—elect, of W. Va., is in the city, shaking hands with old friends. He of course, is feeling good over his recent success in the political world, having just been elected to the office mentioned above. Mr. Trotter will be remembered as having attended Marietta College for a while.

—Gypsy German at the Auditorium Wednesday night.

—Miss Mary Frawney, aged 17, daughter of Anthony Frawney, of Little Hocking, died Monday of brain and lung trouble.

—W. E. Mason, Traveling Deputy U. S. Marshal, left Monday for Cincinnati on a business trip.

—I. R. Rose, of Coal Run, was in the city Monday and left for Columbus to attend the meeting of the Board of Managers of the penitentiary.

—A lively scrap occurred Monday evening on Lower Front street between Charles Porter and J. R. Carrothers. The latter had been drinking and was locked up. The trouble started in Frank's Cafe and eye witnesses state that Porter was not to blame.

—Mr. H. A. Tobey received a letter the past week from Mr. Frank M. Gilman a former Hallowell boy and son of Moses B. Gilman. His home is at Newell's Run, Washington county, Ohio. Mr. Gilman retains a strong love for his native state and city and says he never felt so proud of Maine as when he heard the result of September's election. He says it gave the Bryan cause a great set back there, and that Ohio is good for 50,000 majority for McKinley. There are too many just such eastern men as Mr. Gilman in the west for Bryanism to have any chance there.—Hallowell (Me.) News.

—The funeral of George Hanna occurred Tuesday, the remains being taken to Tunnel for interment.

—The Thanksgiving Day game of football will be played in Marietta with Ohio Wesleyan University of Delaware and promises to be the leading event of the season in football circles. Inquiries have been received for a rate on one hundred tickets from Delaware and a large crowd of rooters from that place will no doubt be in attendance.

—The Marietta Band did not accompany the excursionists to Parkersburg last evening as it was impossible to raise the necessary funds. The many subscription papers circulated during the campaign have somewhat reduced the usual benevolence of the Marietta public.

—Five hundred people from this city, among them a large number of ladies, went down to Parkersburg Monday night on a special train of ten coaches to attend the Republican jollification. The demonstration was a failure, the Marietta contingent being about the only creditable feature of the parade. The crowd returned home about 11 o'clock considerably disgusted with the trip. During the past month Marietta has furnished three magnificent delegations to Parkersburg, the two previous ones being on the days of the Bryan and Cockran meetings. In exchange we have had rosy promises without stint of Parkersburg crowds but they have always failed to materialize. Parkersburg is evidently unable to shake off her graveyard environment and Marietta people have almost come to the conclusion that she is beyond the influences of enlightenment.

—Don't miss The Gypsy German at the Auditorium Wednesday night.

—Hon. W. B. McGill, of Dunham, was in the city Monday.

—Miss Katie Grub has returned from a visit to friends at Pittsburg.

—The State Board of Health has held that membranous croup is practically a form of diphtheria and must be quarantined against the same as other contagious diseases. The local board will take note of the regulation at once and enforce quarantine regulations against all cases of the disease. There have been several deaths from this cause recently and an epidemic of diphtheria is not among the impossibilities. The local board should receive the assistance of the public generally in its steps for the preservation of the public health.

—Regular meeting Buell W. R. C. Tuesday evening at 6:30.

—Mr. L. R. Vance, who has been employed for several months in the dry goods store of Charles Jones, has resigned his position and will leave this afternoon for Warren, Ohio, where he will reside in future. Mr. Vance will have charge of the dress goods department of Smith, Dennison & Company's store at Warren.

—Mr. T. H. Sugden has resigned his position as Treasurer of the Harmer Congregational church and his successor will be elected Wednesday evening.

—Messrs. Hardy, Henry, Brennan and Garrison, of the City Council, and City Solicitor C. W. Richards left Monday to attend the meeting of the Ohio Valley Improvement Association at Pittsburg today. Messrs. R. C. Dawes and M. F. Noll, who are members of the Association, are also in attendance.

—Mr. Julius A. Payne, corner Second and Washington streets, had the misfortune to break his left leg Monday afternoon at 4 o'clock. He was trying to get some scantling out of a lumber pile, when the pile fell over onto him, with the result as mentioned above. Both bones of the lower leg, about midway between knee and ankle, were broken, making a comminuted fracture.

—Squire Guyton guessed within 8 of the actual official Republican plurality in Washington county. He guessed 800, and the count was 808.

—The Junior Class of the Township High School will give a Social and Art Exhibition at the High School Friday evening, November 13th.

—See the Gypsy Minstrel, the Gypsy Poacher and the Gypsy Apprentice in The Gypsy German Wednesday night.

—Mr. Conrad Baum leaves today for Buffalo, N. Y., where he will attend the celebration of the 50th anniversary of Odd Fellowship in that city and visit friends for two weeks. Mr. Baum has been a member of the lodge at Buffalo for 20 years.

—Mrs. Charles Cornell and children left Monday for their home at Athens after a visit here with her sister, Mrs. William Stephan.

—W. L. Finley, of Caldwell, is in the city on business.

—In Probate Court Monday a transcript from the court of Squire DeLong, of Macksburg, was filed in the case of Ohio vs. John Wolford. The defendant was bound over on a peace warrant sworn out by C. V. Radenbach.

—There will be services at the Watertown M. E. church Thanksgiving morning at 10 o'clock, after which there will be a social at the home of Mr. and Mrs. H. C. Ferguson. Dinner at 1 p. m. Evening entertainment also. All are invited.

—The Tunnel M. E. social will meet at the church Thanksgiving afternoon and evening. A cordial invitation is extended to all.

—The Parkersburg Journal has the following account of the shooting of young John Temple, which has been mentioned in the Leader: Friday, while hunting below Belpre, John Temple, aged 14, met with a very dangerous accident which may cost him his life. He was handing his loaded gun across a creek to his brother who was hunting with him when it was accidentally discharged, the contents of which entered his left shoulder. The shot shattered the shoulder in a horrible manner, almost tearing it off. Nearly all of the shot remained in the wound, but a few passed clear through the shoulder. There is now but little hope of the injured boy's recovery.

—John Kaiser, of the National Supply Store, was in Parkersburg on business Monday.

—Mrs. Rolston and Miss Grace Rolston, of Marietta, arrived this afternoon and will be guests of Mrs. A. B. White for a few days.—Parkersburg Journal.

—Veach & Co's well on the Thandouser lease in the Hendershot field was shot Sunday and is showing up at least a 70 barrel well. This is by far the best well that has been drilled in the new field.

—Sunday night the town of Spencer, W. Va., county seat of Roane county, was visited by a disastrous conflagration. Thirty-nine stores and dwelling houses were destroyed, many of them with their contents. Among the business places destroyed were the following: The Spencer Bank, Chapman hotel, Chamber's hotel, Hoyt Bennett's cigar store, Chapman's drug store, Gies' hardware store, Rudman & McIntosh's hardware store, Parson's drug store, Lewellen's general store, Simmon's grocery, Lowe's general store, school house, photograph gallery, R. A. Casto's restaurant, G. N. Casto's restaurant, Spencer livery stable, Frank Goff's store.

The Ideal Panacea.
James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial Bottles Free at W. H. Styler's Drug Store.

The book of woman's life is divided into three chapters: Girlhood, womanhood, motherhood. At the time when a young girl passes into womanhood—turning the leaf as we may say between the first and second chapters of her existence—a little care and thoughtfulness will double her chances of future happiness and save many hours of suffering. Every young woman should have an intelligent understanding of her own physical make-up, which is little better than pure ignorance, opens the way to an untold amount of pain and wretchedness.

Few women realize the influence exerted on their bodily and mental well-being by the special organism of their sex. It is hard for them to believe that the little drain which goes on from day to day is sufficient to sap away the very life forces. Yet it is so. The weakness, exhaustion, melancholy; the periodical prostration and sometimes almost torture has no other cause, two-thirds of the time, than the abnormal unhealthy condition of the generative organs. Strangely enough even doctors often fail to recognize the truth. For this condition there is no other remedy in the world so helpful and certain as Dr. Pierce's Favorite Prescription. It restores health and vigor to the feminine functions and renewed vitality to the entire body. It heals inflammation, stops discharges, strengthens the ligaments and builds up the internal tissues which cannot be reached by "local treatment." It is of inestimable value to young women and to prospective mothers, greatly lessening the pains and perils of childbirth if taken during pregnancy. During the "change of life" it is invaluable.

Dr. Pierce's great book, "The People's Common Sense Medical Adviser," has 1000 pages, profusely illustrated. Over 100 pages are devoted to woman's diseases with suggestions for home-treatment. It will be sent free by World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y., on receipt of 21 one-cent stamps to cover cost of mailing only.
